PATENT
Attorney Docket No.: MEDIV2010-5

II. REMARKS

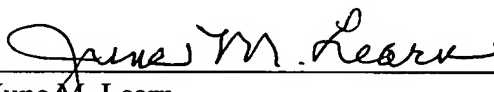

The application filed herewith is a Divisional of U.S. Serial No. 09/868,411 filed June 14, 2001. Non-elected claims 2-6, 8, 9, 12-18, 20-27, 30-35, 37-44, 47-52, 54-61, 64-69, 71-78, 81-86 have been cancelled without prejudice. In addition, claims 91-92 have been cancelled and all pending claims have been amended to define Applicants' invention with greater particularity. The amendments add no new matter, being fully supported by the Specification and original claims. Upon entry of the present amendment, claims 1, 7, 10, 11, 19, 28, 29, 36, 45, 46, 53, 62, 63, 70, 79, 80 and 87 will be pending.

The amendments to the specification merely update the priority information and are supported by the claims as originally filed; therefore, they do not add new matter.

The Examiner is invited to contact Applicants' undersigned representative if there are any questions relating to this application. The Commissioner is hereby authorized to charge any other fees associated with the filing submitted herewith, or credit any overpayments to Deposit Account No. 50-1355.

Respectfully submitted,

Date: February 10, 2004
